

SIMPLE GREEN[®] HAND CLEANER GEL

Technical Data Sheet
January 2014

Product Description: ready-to-use gel cleans the dirtiest hands without drying out the skin or leaving a greasy film behind.

- VOC compliant
- Use with or without water
- Sassafras fragrance
- "Butyl" free
- Added pumice for enhanced grime removal
- Green color

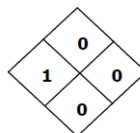

Directions: Can be used with or without water.

1. Apply to Hands.
2. Rub hands together in a washing motion.
3. Wipe clean or rinse clean with water.
4. For tough soils, repeat as necessary.

Properties: Green gel with added sassafras odor.
