

TYPICAL CHARACTERISTICS:

| | |
|---------------------------|------------------------|
| Appearance | Turquoise Fluid |
| Physical State | Liquid |
| Flash Point | > 212°F |
| Boiling Point | 101°C (213.8°F) |
| Freezing Point | 0 – 3.33°C (32°F) |
| Specific Gravity | 1.00 – 1.03 |
| pH | 1.0 – 1.5 |
| Odor | Added wintergreen odor |
| Density | 8.34 – 8.59 lb/gal |
| Water Solubility | 100% |
| Decomposition Temperature | 109°F |

SDS AVAILABLE ONLINE

TYPICAL USES: Remove hardwater mineral scale, light rust, and soap scum from HVAC equipment, sprinkler heads, pools & fountains, restroom fixtures and surfaces, and more. See label for additional uses.

SAFETY: Use safety goggles. Use in well-ventilated areas or with local exhaust ventilation when cleaning small spaces. Use protective gloves (any material) when used for prolonged periods or if dermally sensitive.

SIMPLE GREEN® LIME SCALE REMOVER

Organic salt formula safely removes lime scale, soap scum and mineral deposits

UNIQUE FEATURES

- Organic salt formula won't strip protective finishes, cause damage or discoloration, or etch sensitive surfaces like other harsh descalers
- Bleach, ammonia and phosphorous free
- Powerful enough to remove even tough, built-up mineral deposits, hard water stains, soap scum and oxidation
- Safe for drains and pipes including ABS, PVC, copper, and others
- VOC compliant, non-fuming formula
- Non-abrasive and non-flammable
- Readily biodegradable formula
- Deodorizing wintergreen scent

APPLICATIONS

- Safely remove even long-term scale and scum build-up from a variety of surfaces including porcelain, ceramic tile, glass, aluminum, stainless steel, chrome and more
- Descales equipment including HVAC components, pipes, hoses, tanks, storage systems, spray rack systems, washing machines and more
- Eliminates mineral deposits throughout kitchens and break rooms including sinks, faucets, drinking fountains, coffee pots and dishwashers
- Removes soap scum and water stains from bathrooms, locker rooms, spas and beauty facilities including sinks, toilets, drains, showers, steam rooms and saunas
- Increases efficiency and restores clarity to landscaping equipment and building exteriors including spigots, sprinklers, lighting, windows, furniture and more

DIRECTIONS FOR USE

Always spot test on a hidden area first.

1. Spray onto surface, apply with a damp sponge or cloth, or immerse item in product.
2. Scrub around fixtures with a stiff, non-metallic brush to loosen heavy deposit build-up.
3. Immediately rinse thoroughly for shiny, clean results.
